

Central New York Services, Inc. (CNYS) is a private, not-for-profit Behavioral Health Organization dedicated to improving the quality of life for individuals and families affected by mental illness and substance abuse. We are privileged to serve our most at-risk community members through outpatient treatment, housing, financial management, forensic case management, and employment programs.

Dual Recovery Program

About Us

Our **Dual Recovery Program (DRP)** is a New York State OASAS (Office of Alcoholism and Substance Abuse Services) licensed outpatient treatment program that specializes in assisting the recovery efforts of those struggling with substance use and mental illness. Our highly trained, caring, and experienced staff is comprised of credentialed and licensed healthcare and behavioral health care professionals. The DRPs Medical Director is certified by the American Society of Addiction Medicine (ASAM). Our Psychiatrist specializes in adult and adolescent care.
